2VWO-Chapter 1 Final Test Recap LessonPlan

Lesson blueprint: 2 VWO

Subject: English
Class: 2 VWO
Coursebook: Stepping Stones
Unit/Chapter: Chapter 1
Lesson: Final test recap
Duration: 45 minutes
Date: 28/10/2026
Teacher: Mats van Rossem __

Element	Lesson preparation
Lesson topic	Final recap of all Chapter 1 test topics
Stepping Stones section/pages	Grammar: p. 81; Irregular verbs: p. 218-219; Vocabulary/Stones: Chapter 1 learning corner
Main skill	Grammar / Vocabulary / Speaking / Writing
Lesson objective	By the end of the lesson, students can identify which Chapter 1 topics they have mastered and practise the areas they still need before the test.
Success criteria	I can: 1. Use past simple and past continuous correctly. 2. Recall key Chapter 1 vocabulary and irregular verbs. 3. Describe a past holiday using correct vocabulary and grammar.
Prior knowledge needed	Students have completed Chapter 1 and have previously studied the grammar, vocabulary, Stones phrases and irregular verbs.
Key vocabulary / grammar	Past simple; past continuous; past simple vs. past continuous; irregular verbs; travelling; packing; holiday activities; weather; Words A/C/F/G; Stones phrases about holidays.
Materials	Stepping Stones coursebook/workbook, board/slides, mini-whiteboards or paper, Chapter 1 recap tasks, irregular verb list, vocabulary list.

Lesson sequence, 2 VWO

Time	EDI phase	Teacher actions	Student actions	Stepping Stones
0-3 min	**Lesson start**	Welcome students. Explain that this is the final Chapter 1 recap before the test. Display the lesson objective and explain that students will work at	Prepare materials and read the objective.	Chapter 1 test topics visible on board.

Time	EDI phase	Teacher actions	Student actions	Stepping Stones
		different levels depending on what they still need.		
3-8 min	**Activate prior knowledge**	Give a short diagnostic retrieval check with questions on past simple, past continuous, irregular verbs, vocabulary and Stones phrases.	Answer individually on mini-whiteboards or paper.	Chapter 1 grammar, vocabulary and Stones.
8-10 min	**Lesson objective**	Quickly check the diagnostic answers and explain the differentiation route. Students who show gaps join the recap group. Students who show sufficient mastery start independent challenge practice.	Check their own results and move to the appropriate task.	Connect results to Chapter 1 test topics.
10-20 min	**Instruction: concept**	**Recap group:** reteach the most common weak areas, especially past simple vs. past continuous and irregular verb forms. Use short examples and checks after each rule. **Independent group:** begin a mixed Chapter 1 practice task without teacher explanation.	**Recap group:** listen, answer questions and take brief notes. **Independent group:** complete mixed grammar/vocabulary practice independently.	Grammar p. 81; irregular verbs p. 218-219.
20-27 min	**Instruction: skill/modeling**	**Recap group:** model how to choose between past simple and past continuous and how to use irregular past forms in a holiday sentence. **Independent group:** complete an extension task such as correcting mistakes, writing more complex sentences or creating test-style questions.	Follow the model or complete the extension task.	Past simple / past continuous / irregular verbs.

Time	EDI phase	Teacher actions	Student actions	Stepping Stones
27-34 min	**Guided practice**	**Recap group:** practise selected grammar, vocabulary and Stones questions with teacher support. **Independent group:** complete a self-checking mixed recap covering vocabulary, irregular verbs and holiday language.	Work with teacher support or independently, depending on route.	Travelling, packing, holiday activities, weather, Words A/C/F/G, Stones.
34-36 min	**Check for understanding**	Give all students the same short checkpoint: 1 grammar item, 1 irregular verb, 1 vocabulary item and 1 holiday-language item. Decide who still needs final support.	Answer simultaneously and compare with the correct answer.	Mixed Chapter 1 check.
36-43 min	**Independent practice**	Students practise only the topics they still need. Give extended instruction to students who still struggle. Students who are already secure complete a challenge task: write a short past-holiday paragraph using both past simple and past continuous, irregular verbs and Chapter 1 vocabulary.	Complete targeted practice or the challenge task.	Individual weak areas / mixed Chapter 1 review.
43-45 min	**Lesson closure**	Return to the lesson objective. Ask students to identify one topic they now feel confident about and one final topic they will revise before the test.	Reflect briefly and identify final revision priorities.	Chapter 1 overview.
45 min	**Exit ticket/homework**	Give one final exit question combining past simple and past continuous. Remind students to study only the topics they	Complete exit ticket and note personal revision target.	Homework: targeted Chapter 1 revision for the test.
